

Fall 2024 BRC Revision Package

In November 2024, the Bylaw Review Committee (“the BRC”) will be proposing a significant revision to the Bylaws of the Kansas Gamma Chapter. The revision was developed with the following goals in mind:

1. Ensure Constitutional coherence;
2. Ensure active democratic participation and leadership;
3. Set clear well-defined expectations for all members;
4. Ensure sustainable programming and operations into the future.

The BRC spent many hours reviewing the Constitution and Bylaws of the Association, the Chapter’s existing Bylaws and policies, and considering suggestions from Headquarters on improvements to the same. The BRC welcomes feedback on its work and expects to engage in debate regarding some of the provisions therein.
